# Door Styles

Manufactured from Thermoset GRP (Glass Reinforced Polyester), Distinction's Nan Ya doors are compression moulded to give a high-definition panel design with the characteristics of timber. The stiles and rails are composed of water-resistant polymer which is bonded to the skin and filled with an insulating core of 100% CFC-free polyurethane.

- Thermoset GRP skins will not expand or contract
- Excellent heat and sound insulation
- Choice of pre-pigmented colours and wood stains
- Various styles of glazing cassette
